FIRST M. E. CHURCH, WAYNE, NEB.

Dear Carolyn,

How are all the boys and girls of the Vacation School? Lily says they are still having a good time.

Tuesday Monday we lived on the street where this church is located. It is a very pretty place. I went back to the town yesterday and spent the afternoon at the public library. The day before I went to Winside another town near here. In a few days we are going to Hartington, 40 miles from here. Write to me when you have time. Love from Mary.
